Spotlight On: 100th Day of School and Spirit & Kindness Weeks

At HES, students and staff celebrated Spirit Week, which involves themed dress-up days, fun activities, and fostering a sense of unity and excitement among students and staff. GHS students and staff observed Kindness Week, a time dedicated to promoting acts of kindness and compassion among students and within the school community. As part of Kindness Week, GHS made a significant donation to the community food pantry, demonstrating their commitment to giving back and supporting those in need. Both schools happily observed the milestone of the 100th day of school!
