

Inspiring all children to be resilient, confident, respectful, and prepared to discover and follow their dreams!

Volume 4, Issue 3 11/3/2022

District Advancement Plan: 21-22 State Testing Scores

This month we presented our 21-22 State Testing results to the Board of Education. Overall reading, mathematics, and science performance remained stable over the last three years and we were one of the few districts to show gains in Reading and Science during the pandemic. As a district we prioritized grant funds to lower class size and to implement additional academic tutoring for students. Our results speak to the hard work of our students, dedication of our team, partnership with families, and investments made over the last three years. You can view the full [SBAC presentation here](#).

Spotlight On: Pumpkin Celebrations!

The students enjoyed many activities this month all related to pumpkins! At GHS the students participated in a pumpkin parade. HES Students made book character pumpkins and wore costumes to celebrate Halloween, some even dressed as their favorite staff members! Check out more pictures on our facebook page!
