

Inspiring all children to be resilient, confident, respectful, and prepared to discover and follow their dreams!

Volume 5, Issue 8 3/20/2024

Spotlight On: Hebron Invention Convention

Hebron Public Schools held its annual Invention Convention this month. We are so proud of our young innovators and their problem solving skills and creativity! The winners of the school level Invention Convention will go forward to compete in the State Semi-Finals. Congratulations to all students who participated!

Spotlight On: Board Member Appreciation Month

The Hebron Public Schools Board of Education comprises committed volunteers who invest their time and expertise in shaping policies and ensuring the delivery of quality education. Their leadership is instrumental in fostering an environment where students can thrive academically, socially, and emotionally. We extend our sincerest appreciation to the members of the Hebron Public Schools Board of Education for their dedication, collaborative spirit, and exemplary service. Thank you for your contributions to the education and well-being of our students. Happy School Board Appreciation Month!
