Community/Board Operation

USE OF SCHOOL FACILITIES

In accordance with Conn. Gen. Stat. § 10-239, the Hebron Board of Education (the “Board”) may permit the use of any school facility for nonprofit educational or community purposes whether or not school is in session. The Board may also grant the temporary use of any school facility for public, educational or other purposes, including the holding of political discussion, at such time the facility is not in use for school purposes. In addition, the Board shall grant such use for any purpose of voting under the provisions of Title 9 of the Connecticut General Statutes whether or not school is in session. In accordance with 20 U.S.C. § 7905, the Board shall not deny equal access to or a fair opportunity to meet, or otherwise discriminate, against any group officially affiliated with the Boy Scouts of America (or any other youth group listed as a patriotic society in Title 36 of the United States Code) that wishes to conduct a meeting using school facilities pursuant to this policy. Such uses shall be governed by the following rules and procedures, and shall be subject to such restrictions as the Superintendent or his/her designee considers expedient.

Consistent with this policy, the Superintendent shall develop and promulgate Administrative Regulations and associated forms governing use of school buildings and facilities by community and other groups. Since the primary purpose of school facilities is for educational activities, such activities will have priority over all other requested uses.

A. Application Procedures

Applications for use of facilities shall be submitted to the following individuals, in accordance with the Administrative Regulations:

<u>Facility</u>	<u>Application Submitted To</u>
For use of school buildings	Building Principal
For use of athletic fields and facilities	Building Principal
For use of other school facilities	Superintendent of Schools

Groups requesting use of school buildings and facilities must identify the specific facilities desired, and approval will be for those specific facilities only. All school equipment on the premises shall remain in the charge and control of the building principal or responsible administrator, and shall not be used without the express written permission of the administrator.

Principals and other responsible administrators shall submit copies of each building use form to the business manager with a notation of whether such uses have been approved. Approval of school facilities by the principal or other responsible party may be revoked at any time by the Superintendent or his/her designee.

B. Eligible Organizations and Priority of Use

Administrators responsible for approving/disapproving requests for use of school district facilities will use the following guidelines regarding priority of usage of such facilities:

Order of priority:

1. School-sponsored programs and activities.
2. Activities of school-related organizations (*e.g.*, PTO, Booster Clubs, After Graduation Committees and similar organizations).
3. Town department or agency activities.
4. Activities of non-profit organizations operating within the Town, other than school-related organizations covered by category #2 above.
5. Activities of for-profit organizations operating within the Town.
6. Out-of-town organizations.

C. Restrictions on Use of School Facilities

The following restrictions shall apply to the use of school facilities:

1. Illegal activities will not be tolerated.
2. Use or possession of tobacco, vapor products, alcoholic beverages or unauthorized controlled substances shall not be permitted on school property.
3. Refreshments may not be prepared, served or consumed without the prior approval of the responsible administrator. Notwithstanding, only those beverages permitted by state law may be sold during the school day. The responsible administrator may permit other beverages to be sold at the location of events occurring after the end of the regular school day or on the weekend as long as they are not sold from a vending machine or at a school store. Upon approval by the administrator, refreshments may be prepared, served and consumed only in areas designated by the responsible administrator.
4. Obscene advertising, decorations or materials shall not be permitted on school property.
5. Advertising, decorations or other materials that promote the use of illegal drugs, tobacco products, vapor products, or alcoholic beverages shall not be permitted.
6. Activities that are disruptive of the school environment are not permitted.

Any violation of this Policy or any applicable Administrative Regulations may result in permanent revocation of the privilege to use school facilities against the organization and/or individuals involved.

D. Fees and Other Costs

Users of school facilities shall be responsible for the fees and costs set out in a fee schedule established by the Superintendent with the approval of the Board of Education. The following guidelines shall be incorporated into such fee schedule:

<u>Category</u>	<u>Fee</u>

Such costs shall be at the rates set forth in the fee schedule. Rental fees and/or associated costs otherwise applicable may be waived by the Superintendent or his/her designee if such waiver is deemed by the Superintendent or his/her designee to be in the best interest of the school system and/or the Town.

E. Responsibility for Damage to Property or Loss of Property

In order to use school district facilities, any organization or individual requesting such use must agree to assume responsibility for any damage to and/or theft or loss of any school district property arising out of the use of the facilities.

F. Health and Safety Protocols
